

FIRST GRADE

Mrs. Doe & Mrs. Wilson

SIGHT WORDS

Oh the place we'll go;
knowing God loves us

SEPTEMBER 14, 2009

FYI

- Today you will find your child's graded papers from last week in their Monday mail folder. You should look for graded papers on Mondays. Our note will be coming home after this week on Fridays and will be available to you online on the Trinity web page by Monday afternoon should you misplace it and need the information again. Rest assured that if Mrs. Wilson's papers and Mrs. Doe's papers are not identical each week, that we are covering the same material and you will see that same activity/sheet/assignment in your child's folder probably the next week. We have different students with different learning styles and rates and therefore things may be done at a different pace.
- You will also find the Cherrydale Catalogs and information. You can begin selling immediately with your child. The sale ends October 2nd.
- Be sure to pack your child with a light jacket, sweater or sweatshirt for recess. The mornings are chilly and some children were rather cold this morning.
