

October 19, 2009

Dear Parents,

We usually complete our reading unit about every six weeks. Once we have completed a unit, I will be sending home the practice books. The pages we did not complete in class you may use at home to help review what we have covered in each reading unit. The children may also enjoy enjoying playing school with the practice books. You do not need to return the books. If you have any questions please call me.

Thank you,

Mrs. Behrens
