

We Are Trinity!

Discover the Difference and See!

Just a Reminder...

- Catholic Schools Week begins tonight with a parade. You can still join us at the old lumber yard on Water Street for a 7:00 p.m. step off.
- Mass at St. Mary's Church Saturday 4:00p.m. I hope you can join in the celebration. Bring your family and friends.
- Sunday – Pancake Breakfast with entertainment... tours of the school for new families. Come check out our bulletin board in the hall by our room and our door.
- Monday – Students dress in school clothes for Blue and White Day! Prayer Service to begin Catholic Schools Week. Representatives from the St. Vincent de Paul Society and the Neighborhood Center will be on hand to receive the “souper” collection of 2010 nonperishable items our school collected. I am extremely grateful for your generosity which allowed our class to come in first place with over 350 items. A dressdown day in the future is our reward. D.A.R.E. graduation will take place in the cafeteria at 2:00. You are welcome to join us!
- Teachers will be eating a special luncheon on Tuesday. My homeroom mom has graciously offered to have the class make their Valentine's Day crafts at this time. Special bags to hold the cards will be created. If your child wants, he/she may bring in valentines for the class on this day.
- Wednesday – DRESS FOR SUCCESS - It'll be great fun deciding what career your child has chosen. Students may wear their outfit to school.
- Thursday – HUGE Religion test about the Mass. We have completed review sheets for students to study from. Spaghetti dinner with poetry recitation.
- Friday – READ –IN throughout the day as we find time! Each student should come with something to read independently. Sundaes for lunch and a variety show in the afternoon.

We had a great time at the Nature Center today. Thanks to Mrs. MacPherson for the planning and the parents/grandparent who drove. The Nature Center has a lot of activities planned for tomorrow (Saturday) including snow shoe and cross country skiing demonstrations, crafts for the kids and birds of prey! Great fun for the family!

Please cut below, sign it and send it back to class with your child on Monday.

I have seen the parent note sent home on Friday, February 5, 2010.
