

October 5, 2009

Dear Parents,

This is going to be a very busy week for third grade! We are leading the mass on Thursday and will be going to church to practice on Tuesday and Wednesday. The firemen will be here on Tuesday to give a presentation to third and fourth graders. Please review your fire escape plan and meeting place with your child. It is a good idea to check all the batteries in your smoke alarms too! The book fair is going on this week and we will be looking at books today and purchasing them on Wednesday. We end this busy week with picture day on Friday. Please be sure to send in the envelope and payment for pictures by Friday. Also on Friday, we will be having a quiz on the words and meaning of the Our Father. Religion notebooks will be coming home for them to read over and study the notes we took about this prayer.

Next week will be a very short week with the students only attending on Tuesday, Wednesday, and Thursday. Because of the short week, we will have our Reading selection test next week instead of this week. We will still have our Spelling test this Friday, but there will be no list words for next week. We are finishing our Science unit on Life Cycles and there will be a unit test next Wednesday, October 14th. Again, binders will be coming home for the children to read and study their notes.

Each child has two invitations for sharing the wisdom day. Please have your child give these invitations to grandparents, godparents, or any close family friend that has shared their wisdom with your child. If anyone needs more, please let me know and I will send them home tomorrow. One final reminder: students must have the signed permission slip to be able to leave with their guests on Thursday.

Enjoy the long weekend and I hope to see you at Mass.

Sincerely,
Mrs. Marsh
