Dear Parents,

As the school year is quickly winding down, there are many events taking place here at Trinity. Please refer to the school calendar and parent letter for many of the events. The permission slips for going to the Veterans' Memorial Park this Thursday at 1:00 are due tomorrow and please return the permission slip for the bike rally as soon as possible. Also, remember to have your child get sponsors for the bike rally so they can have their name entered to win great prizes in the drawings!

The students will be completing their final Reading Assessment Test this week and I have put together a spelling list of words they are still struggling with in their daily writing. These words will be tested on this Thursday, May 27th. On Wednesday there will be a Unit 3 Test in Religion covering the Seven Sacraments. The children will be bringing home their books and notebooks on Monday and Tuesday for reviewing for the test. We are also studying seeds, flowering plants, conifers, pollination and the uses of plants. The children will be notified when there will be a quiz on this material.

I have contacted Scholastic concerning the last book order and we should be receiving the books by the end of next week. Due to the length of time this order has taken, it will be the final book order for this school year.

Have a wonderful week and enjoy the long Memorial Day Weekend!

Sincerely,
Mrs. Marsh
