Date: October 5, 2009

Field Trip

I am happy to report that we have taken care of all the paperwork and are ready for our Field Trip to the Play in Ogdensburg on Thursday, October 8, 2009.

Please remember to have your child here early! We will leave before school officially starts and before buses usually arrive.

Our departure time from Trinity is 8:00 a.m. sharp.

Share the Wisdom Day

Share the Wisdom Day is on the same day as our field trip to the play: Thursday, October 8, 2009. Your child's Wisdom Sharer (grandparent, aunt, uncle or other) should arrive at 11:30.

Lunch, tours and Book Fair adventures take place before Mass. Students must be back in the room by 1:00. We will do a head count and then head off to church for 1:30 Mass.

If your child will be going home after Mass with their guest (or someone else) a note is required giving them permission. I ask that you pen me a note even if they are going with you so I can keep track of the kids on the scattered day. Thanks.

2 More Reminders

1. Picture Day is Friday, October 9, 2009.
2. School is in session October 13, 2009 here at Trinity, but not throughout the rest of Massena. Transpotation will not be provided.
3. No School October 16, 2009! This is our Diocesan Staff Development Day.
4. Check out our website:

Book Fair

Our class will browse the book fair on Tuesday morning. They should bring home a paper with their wish list. We will return to the book fair to buy what you have approved of on Wednesday morning.

Of course you may browse and buy with your child during the Book Fair hours.

Snack is a very important part of our day, and I do believe I neglected to mention it on Curriculum Night.

We break from 10 - 10:15 daily to have a snack, socialize and take care of bathroom needs. A nutritious snack is encouraged. If your child forgets their snack they may borrow one from our snack bin, and replace it the next day with a prepackaged treat.
