## CATHOLIC SCHOOLS WEEK:

We only received a few responses for children to sing in the Mass for Catholic Schools Week. After reviewing the music, it would virtually be impossible for the children to sing along because the words are just too difficult. However, we still want your child to participate in the Mass and will assign them another job. If you have any questions please call us.

We will be sending home a poem that your child needs to memorize by February 3rd. This has taken us a while to do because we have tried find poems that the children can read. We have decided to have the children memorize a Nursery Rhyme. If your child already knows one, please send in a note and they are more than welcome to do that. If we don't hear back from you by Wednesday, we will simply assign them a Nursery Rhyme. A winner will be chosen from each class and will present their poem at the spaghetti dinner during Catholic Schools Week. They do not have to have it memorized until the February 3rd deadline.
