CATHOLIC SCHOOLS WEEK:

Catholic Schools Week is approaching ever so quickly. We have sent home notes regarding the opening Mass and the Talent Show. As of yet, 1st grade has not had many responses. For opening Mass, the students can participate in the choir and Mrs. Wilson will be there helping students. These boys and girls have a wonderful voice and can do a wonderful job. If you have misplaced your slip, please let me know and I can get you another one or simply express your desire in a note and we will make room for them. I encourage you to attend and have your child join in. Also, the talent show has changed this year. 1-3 can still participate but need a parent to participate with them. Once again, I challenge you to help your child display their talent.

We will be sending home a poem that your child needs to memorize by February 3rd. A winner will be chosen from each class and will present their poem at the spaghetti dinner during Catholic Schools Week. If your child already has a favorite and we know about it by Wednesday of this week, they are more than welcome to read that one. We will need a typed copy of that poem however to follow along with. They do not have to have it memorized until the February 3rd deadline.

UPCOMING EVENTS

◇ "Souper" Bowl Canned Food Collection—Students are challenged to bring in cans of soup for the local food pantries. All canned soup should be in by Monday, February 1st.

FYI

We have been following Lily the bear on the web. On Friday, I, Mrs. Wilson sent home the web address for this and for those who didn't get it or misplaced it and would like to watch her progress the web address is www.wildearth.tv and then click on www.bears.org. It is sometimes difficult to find the right connection but if you play around you will find it. It is very fascinating and since the children learn about migration and hibernation this is a great experience for them. Happy Watching!
