We are into our 3rd week of Unit 1 in Reading. We are working on adding -s to words. We have covered short vowels a, i and o. We are learning about animals and how they take care of their young. We will be sending home a folder with sight words for you to help your child practice and learn. It is vital that children identify certain words in our language by sight. This helps them with their reading fluency. A complete set of instructions will be coming home next week with the folder. As always, we thank you for being a partner with us in your child's educational success.

Have a great weekend and we'll see everyone Monday.
