## FIRST GRADE

Mrs. Doe & Mrs. Wilson

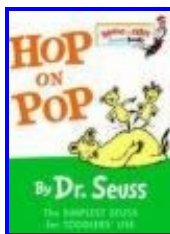

OCTOBER 2, 2009

### FYI

- Just a reminder, if you have not sent in the permission slip to allow your child to attend the play in Ogdensburg, you need to do so ASAP.
- We will be going to Bonesteel's Market on October 23rd. There is a **\$5.00** charge for this and we will definitely need drivers for that day. The children will have the opportunity to see a butterfly garden, various pumpkins & squash, hay ride, pick Indian corn and taste various types of apples. This is truly a fun experience and ties in with our curriculum. We will leave promptly @ 8:45 am that day. A permission slip will come home as the field trip approaches.
- We neglected to let you know that for the first unit in Reading we allow ourselves and the children two weeks to complete the five day plans. This is an extreme adjustment for the children and to adequately teach them skills they need as well as new procedures associated with 1st grade, we feel that allowing them this time greatly benefits them in the long run. Therefore the spelling test will actually be Oct. 9th. However, for those children who receive a 100 on Friday, we will be giving them a challenge list for the 9th.
- Sharing the Wisdom Day—if you wish for your child to leave with their guest after Mass on the 8th, you must sign the permission slip that will be coming home.
- Volunteers are need for the Book Fair. If you can volunteer, please call the office!
