

FIRST GRADE

Mrs. Doe & Mrs. Wilson

SEPTEMBER 25, 2009

Oh the place we'll go, knowing God

FYI

- We will be going to Ogdensburg on October 8th to watch a play. We will be taking a bus because second grade has also chosen to go. The cost of the play and transportation will be **\$6.00**. Most importantly though is that the bus will be leaving at 8 am. This means that you will need to have your child here early. A permission slip is attached. Please remember and make arrangements for your child to arrive early to school. We will remind you again of this as the date approaches. Please send the money in asap. This will be both an educational experience for the children as well as an enjoyable outing that connects literature to the performing arts.
- We will be going to Bonesteel's Market on October 23rd. There is a **\$5.00** charge for this and we will definitely need drivers for that day. The children will have the opportunity to see a butterfly garden, various pumpkins & squash, hay ride, pick Indian corn and taste various types of apples. This is truly a fun experience and ties in with our curriculum. We will leave promptly @ 8:45 am that day. A permission slip will come home as the field trip approaches.
- Please let us know if you do or do not want your child to charge doubles. This includes double milk. Many children are either extra hungry or thirsty and are wanting to charge doubles. We would like you to let us know your preference in regard to this matter.
