BIRTHDAYS

April

Kailey Peets—4/8

Study the sight word list over vacation and read, read, read.

◇ The author will be here to visit our school at the end of the month. However, if you would like your child to have an autographed copy of one of his books the order needs to be in before vacation so that the order can be sent to him for personalizing. He needs these orders two weeks in advance of his arrival. Thank you.

◇ Be sure to return your surveys that were in your monthly folder. It is of great importance that we have feedback in order to decide if we should move ahead with the plans to have a summer program or a 7th/8th grade here at Trinity.

◇ We have come to a decision regarding TOYS in school. SOME children bring in toys and do not share and this is just not Christian. Toys will not be allowed in second grade so we feel there is no time like the present to get them prepared. Thank you for your support in seeing that NO TOYS come to school after the spring vacation.

◇ READ! READ! READ! Please get pledges and read during the month of April. All money collected will help rebuild a Catholic school in Haiti.

◇ We will begin Unit 4 in Reading when we return from vacation. The students have done a phenomenal job this year in reading and we are very proud of them. This will prove to be the most challenging of all units and attendance during this last leg of the year is critical.

◇ Report cards will be coming home Thursday so please look in your child's backpack.
