Our Disciples
in Action will
display quali-

- *We want to apologize for not getting a note home last Friday. With the Halloween party and the number of absences we just didn't get things done in a timely and normal manner.*
- *Our trip to Bonesteel's was a great success and enjoyed by all. Thank you to all the moms who drove and endured the cold weather.*
- *Thank you so much to all of you who helped make the Halloween party a success. Your generosity is greatly appreciated.*
- *H1N1 (Swine Flu) - If your child is running a fever, we want you to keep your child home. If they are complaining of aches and pains and not running a fever, it might not be a bad idea to keep them home for observation rather than infect all the other boys and girls. We will make accommodations for the children when they return. We really would rather have them home than at school infecting the other children or teachers.*
- *GREAT SPELLING WEBSITE! Spellingcity.com To use this website all you need to do is enter the username and password. Username—hdoe301 / password—trinityschool or username—twilson302/ password—trinityschool. You can then find the list for the week—Big Blue Ox, then play a game. They know HangMouse.*
- *Cold weather has arrived and the children need to come to school dressed for success at recess. Students at this time should be coming with a winter coat, hats, mittens and scarf if they like to wear a scarf. Some children are still coming to school without a jacket. Girls should be wearing tights at this time of year because their bare legs do get rather cold during the 30 min. recess. Lastly, Capri pants and shorts are no longer part of the dress code for this time of year. You can refer to the school calendar for dress code information should you be new to our school or have simply forgotten. Thank you for your help in keeping the children warm and healthy.*
