Valentine's Day

We will be celebrating Valentine's Day on the 12th. All children should plan on having their valentines to share that day in the a.m. Let's dress in RED.

100th Day Celebration

Each year we celebrate the 100th day by doing two activities. The first involves your child collecting 100 items. This year we would like the children to collect 100 words they can read. They can write them on lined paper or you can help them type them. That is up to you. The second involves each child bringing in an item in which the children can count ten items from and they do this from 10 different items to have 100 pieces of food/trail mix. Your child is assigned to bring something according to their number.
