**Why Do You Teach at Trinity?:** I teach at Trinity Catholic because I feel Jesus at work here, in the staff, support staff, students, and their families. My faith sustains me and I hope to help our children develop their relationship with Jesus.

**What is your favorite:**

**Color:** Green

**Food:** Spaghetti (especially my sister's)

**Season:** Spring

**Holiday:** Thanksgiving

**Book:** Too many to mention just one, but the Bible is so full of stories...

**Movie:** Any one that will make me laugh

**Anything else you would like to share:**

I am blessed to be part of Massena's Catholic schools for 40 years. Often I am asked why I haven't retired. Why retire from something that I love? Retire to what? I am content at this point and thank the Lord for allowing me to share what was given to me by other Catholic educators throughout the years.
