

**PARENT/GUARDIAN AFFIRMATION OF OVER THE COUNTER (OTC) COVID-19
ANTIGEN TEST RESULTS FOR STUDENT TO RETURN TO SCHOOL**

- Regardless of vaccination status, if a student has COVID-19 symptoms they must have a lab negative NAAT, lab antigen test, *or two negative Over-the-Counter (i.e., at-home or take-home) antigen tests taken 24-48 hours apart, depending on the specific manufacturer's instructions*, in order to return to school.
- If an individual is presenting the district with two negative Over-the-Counter antigen tests, they must also present the following attestation signed by a parent or guardian
In addition to a negative test result(s), students must be well enough to:
 - Participate in school;
 - Not have rhinorrhea (runny nose) or cough severe enough to make mask wearing difficult or unhygienic;
 - Be fever-free for 24 hours without use of fever-reducing medications; and
 - Meet other school or district requirements to return to school after a non-COVID illness.
 - If your child's symptoms persist and they are not well enough to return to school, please contact the school nurse.

This attestation must be completed in its entirety, and returned to the school health office, on the student's first day back in school after experiencing COVID-19 symptoms.

I, _____, do hereby affirm that my child

Parent/Guardian's Name (Please Print)

_____, DOB _____,

Student's Name (Please Print)

has tested negative on TWO OTC (Over The Counter) COVID-19 antigen tests at least 24-48 hours apart, following the manufacturer's specific instructions, and has a resolution of symptoms permissible to return to school.

Test #1 Date: _____ Test #1 Time: _____ am/pm

Test result #1: Negative Positive (circle one)

Test #2 Date: _____ Test #2 Time: _____ am/pm

Test result #2: Negative Positive (circle one)
